DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant filed an IDS on 03/08/2002 as a result of an International Search Report from the Korean Patent Office. Applicant stated in the IDS that reference KR 99-30,989 was cited as a "Y" category document with respect to claims 1-4 and 12-15 of the corresponding International application. However, the accompanying International Search Report indicated that reference KR 99-30,983, not KR 99-30,989, was a "Y" reference. As a result, reference KR 99-30,983 was considered by the Examiner in accordance with the International Search Report.

The information disclosure statement filed 12/19/2007 with respect to reference KR 99-30989 is treated as a new IDS. It fails to comply with the provisions of 37 CFR 1.97(d) because it lacks (i) a statement as specified in 37 CFR 1.97(e), and (ii) the fee set forth in 37 CFR 1.17(p). It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date that the IDS is filed will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh Dinh whose telephone number is 571-272-3802. The examiner can normally be reached on Mon-Fri: 10:00am-6:30pm. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
